Honorable Board of Commissioners
Community Development Commission of the
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**APPROVE AN AGREEMENT TO NEGOTIATE EXCLUSIVELY WITH SELECTED
DEVELOPER FOR DISPOSITION AND DEVELOPMENT OF 105TH STREET AND
NORMANDIE SENIOR RENTAL APARTMENTS IN UNINCORPORATED WEST
ATHENS/WESTMONT (2)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the execution of a 180-day Agreement to Negotiate Exclusively (Agreement) for the development of the 105th Street and Normandie Senior Rental Housing Project, a 1.4-acre development consisting of up to 66 low-income rental units for seniors, with at least five units reserved for homeless seniors, to be located at 10402, 10408, 10410, 10426 South Normandie Avenue, 1335 West 105th Street, and 1344 West 104th Street, in unincorporated West Athens/Westmont, is exempt from the California Environmental Quality Act (CEQA) because the activity does not have the potential for causing a significant effect on the environment.
2. Approve the attached 180-day Agreement presented in substantially final form, between the Community Development Commission, and the Southern California Housing Development Corporation of Los Angeles and the Homes For Life Foundation, both California nonprofit corporations and jointly identified as the "Developer", to negotiate a Disposition and Development Agreement (DDA), for the development of the project described above.
3. Authorize the Executive Director to execute the Agreement, to be effective following approval as to form by County Counsel and

execution by all parties; and authorize the Executive Director to execute amendments to the Agreement to extend the negotiating period by up to a maximum of two 90-day periods, to be effective following approval as to form by County Counsel and execution by all parties.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to authorize the Commission to exclusively negotiate the terms of a DDA with the Developer for disposition of two Commission-owned parcels, and the development of up to 66 senior rental apartment units on the site. In addition to the rental units for qualified seniors, the development will include a community room for the residents and office space for personnel from the Community Development Commission.

FISCAL IMPACT/FINANCING:

There is no fiscal impact associated with this action. The Developer will submit to the Commission a good faith non-refundable cash deposit, in the amount of \$5,000, to ensure that the Developer will proceed diligently and in good faith to negotiate the Agreement.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

On March 28, 2006, the Commission issued a Request for Proposals (RFP), to solicit proposals for the subject development on six adjacent Commission-owned parcels consisting of approximately 1.4 acres. All of the apartments will be reserved for senior households with incomes not exceeding 50 percent of the area median income for the Los Angeles/Long Beach Metropolitan Statistical Area, adjusted for family size, as established by the U.S. Department of Housing and Urban Development.

The solicitation period ended on May 2, 2006, at which time one proposal was submitted. This proposal submitted by the Developer met all of the threshold requirements. An evaluation process was subsequently completed and scores were assigned under the technical review and design review categories. A total of 650 or more points out of 1,000 must be achieved to be selected. The Developer's proposal received a total of 713.48 points.

The technical and design review process took into account the Developer's capacity to construct the project, ability to manage the project once completed, experience and plan for providing supportive services to both senior and homeless senior populations, the project's financial structure and cost, and finally, the design of the project.

The Commission wishes to execute an Agreement with the Developer to negotiate a DDA to complete the project, which will include the Developer assuming ownership of the land, performing outreach to the surrounding community, securing necessary entitlements and financing commitments, determining the number of affordable units reserved for low-income seniors, and constructing and renting of the apartments. Upon the conclusion of the negotiations, the DDA will be presented to your Board for approval.

This Agreement will be effective following approval as to form by County Counsel and execution by all parties.

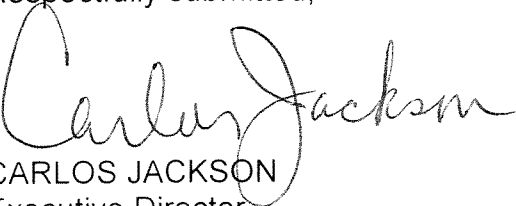

ENVIRONMENTAL DOCUMENTATION:

This Agreement does not commit the Commission to a particular course of action, and is not subject to the requirements of the California Environmental Quality Act (CEQA) or the National Environmental Policy Act (NEPA). All CEQA and NEPA environmental review requirements must be completed prior to the execution of the DDA committing the Commission to this project.

IMPACT ON CURRENT PROJECT:

This Agreement will allow the Commission to negotiate terms of a DDA with the Developer, which will result in the increase of affordable housing in the County.

Respectfully submitted,

CARLOS JACKSON
Executive Director

In the event at any time during the Negotiation Period the Developer does not negotiate diligently and in good faith as determined by the Commission in its reasonable discretion, the Commission shall give written notice thereof to the Developer who shall then have thirty (30) business days to negotiate in good faith to the satisfaction of the Commission. Following the receipt of such notice and the failure of the Developer to thereafter negotiate in good faith within said thirty (30) business days, this Agreement may be terminated upon written notice by the Executive Director of the Commission. In the event of such termination by the Commission, the Commission shall retain the Deposit and any interest earned thereon.

Except as provided in the preceding paragraph, upon termination of this Agreement on or before the expiration of the Negotiation Period (which may include any authorized extension of the original 180 day period), neither party shall have any further rights against or liability to the other under this Agreement.

If a DDA is approved and executed by the Commission and the Developer, the DDA shall thereafter govern the rights and obligations of the parties with respect to the Development and shall supersede this Agreement.
